EDUCATION AND TRAINING

19/09/2021 – 07/07/2026 Manisa, Türkiye

Computer Engineering Manisa Celal Bayar Üniversitesi

WORK EXPERIENCE

Türkiye Halk Bankası A.Ş. İstanbul, Türkiye

Internet Banking Software Intern

08/02/2026 – 05/06/2026

Provided technical support for internet banking development by implementing software enhancements and resolving application issues. Participated in debugging with Visual Studio, worked with REST APIs and SQL-based data operations, contributed to feature development in C#/.NET, and collaborated with development teams through Git, pull requests, and CI workflows while supporting digital banking services.

Türkiye Yazılım Araştırma ve Eğitim A.Ş. Balıkesir, Türkiye

Flutter Developer

24/08/2025 – 21/09/2025

Contributed to the development of a Flutter-based mobile application by designing responsive user interfaces, building reusable widgets, implementing screen navigation, integrating frontend components with application logic, and improving the overall user experience across iOS platform.

TNC Group Companies İstanbul, Türkiye

Information Technology Intern

06/07/2025 – 24/07/2025

Developed beginner-level portfolio projects using AutoCAD, Adobe Photoshop, Microsoft Excel, and Python as part of a structured internship training program, demonstrating fundamental technical skills and practical application of each tool.

Türkiye Halk Bankası A.Ş. İstanbul, Türkiye

Information Architecture Intern

01/07/2024 – 06/09/2024

Supported the Information Architecture department by responding to user requests through IMAP, an in-house database application used for information management and request tracking. Assisted in handling and documenting incoming requests while gaining practical experience with internal data management processes. Additionally, completed introductory SQL training and developed foundational skills in database querying and data retrieval.

SKILLS

Programming: Python, Java, R, Dart (Flutter) | CSS & HTML | database management systems | Microsoft Office

LANGUAGE SKILLS

MOTHER TONGUE(S): Turkish

OTHER LANGUAGE(S): English
